- has high expectations of children's behaviour, independence and wellbeing, and can create a safe, inclusive and stimulating environment for children from Nursery to Year 6.
- can adapt activities and provide inclusive, age-appropriate play and recreational opportunities that enable all children to participate, including those with additional needs.
- can prepare and organise resources effectively, ensuring activities are well planned, appropriately risk assessed and delivered safely.
- Is able to respond confidently and appropriately to children's medical, personal care and wellbeing needs, following school procedures and safeguarding requirements.
- has excellent communication skills and can maintain positive, professional relationships with parents, carers, teachers and colleagues, sharing relevant information clearly and appropriately.
- Is able to oversee the preparation and serving of a daily hot meal, taking account of allergies, dietary requirements and food preferences.
- understands the importance of safeguarding, health and safety, appropriate staff-to-child ratios and effective supervision across indoor, outdoor and transition periods.
- Is confident in leading staff, allocating responsibilities and ensuring adequate supervision is maintained throughout each session.

Visits to the school are warmly welcomed, so please do come and have a look round our lovely school.
